# HOW TO ENSURE AN OPTIMAL RESULT ON YOUR WHIPPING MACHINE

**Achieve a smooth operation with optimal results** by having your certified Frontmatec service specialist perform a scheduled service where they verify that each clutch and whip is in optimal condition ensuring you best price for meat.

**Maintain high performance with prolonged life-time and low maintenance** by ensuring the highest possible protection of the shafts with the help of your service specialist, who will ensure that the bearings are at their optimal condition.

**Stay prepared for the unexpected** by stocking critical spare parts for daily operation, such as whips, gears, bearings and a spare shaft.
